

Rack Fly Uno

With Blue Pill Inside

Rack Fly Uno has 24 programmable four-way buttons all with RGB color and customizable OLED displays.

Blue Pill Inside

SKAARHOJ Universal Controllers supports more than 120 different devices, and counting! Check out our website's "Device Core" section, to see what can be controlled at <https://www.skaarhoj.com/support/device-cores>. The flexible User Configuration makes it possible to assign and add the functionality you need from the controller. All controllers are IP-based, and can have Remote Control with PoE. All SKAARHOJ products are designed and built in Denmark.
